*Large boxes are about 3 feet high & hold up to 150 lbs of food.
Smaller boxes hold about 35 lbs of food & can be transported easily.
Please decorate the boxes with posters. Do not directly write on the boxes since they are recycled to be used for future drives.
Posters are 11 x 17 inches with space to personalize.*

To help your Drive be successful, you will be given information about the Food Bank and hunger in Oklahoma, a list of most needed items and a flyer to collect credit card information.

Don't forget that **Funds Matter as much as Food**...For every \$1, we can provide 7 nutritious meals. Every \$1 will count as 2 pounds of food for competition purposes. **Donate online at www.cfbeo.org** and be sure to list Organization name when asked if this is related to a Food or Fund Drive.

Transportation is a significant cost to the Food Bank. Including it as part of your donation is appreciated. Please plan to pick up your supplies before your event and deliver your donations at its conclusion so we can make the best use our resources. If this is not possible, let us know below.
